

Do you know about the Child Care Safety Portal?

This web portal is a resource for Oregon families to get information about the safety, health, and quality of licensed childcare facilities. When you search for a provider, you will see the provider's status, a summary of the state's inspections of the facility, complaint information, enforcement activity, and details about injuries that have occurred at the facility.

Visit the Child Care Safety Portal:

<https://childcaresafetyportal.ode.state.or.us/portal/>

Questions?

Contact the Center Directors:

Dan Hupala, Director of Children's Programs

Email: dan@fhpdx.org

Mya Chamberlin, Friendly House Executive Director
