

## Friendly House Preschool Fee Schedule 2022-2023

Friendly House depends on the sliding fee scale, which is based on household income and family size. This scale allows us to serve children of families whose income would otherwise be insufficient to pay for quality preschool. We rely on your honesty in setting your fee level at a rate which matches your household income. **When you sign up online, you will select the monthly fee that matches your household size and income**

**You will be billed the same amount September-August**, even on months when Friendly House Preschool is closed during vacation weeks (December and March). Your monthly base rate is adjusted to reflect closures on these weeks.
