

Friendly House Preschool Fee Schedule 2023–2024

Have you been accepted to Multnomah County’s Preschool for All? Yes or No
If yes, disregard this form.

Friendly House depends on the sliding fee scale, which is based on household income and family size. This scale allows us to serve children of families whose income would otherwise be insufficient to pay for quality preschool. We rely on your honesty in setting your fee level at a rate which matches your family income. **When you sign up online, you will select the monthly fee that matches your household size and income.**

You will be billed the same amount September–August, even on months when Friendly House Preschool is closed during vacation weeks (December, March, and August). Your monthly base rate is adjusted to reflect closures on these weeks. Rates are offered on a 5-day per week schedule.
